Dimensional
stability

Glazed Finish

Easy to install

Complete Innovation

LONGING 2019 brings an innovative new concept to the market: aspires to be the market leader in innovative mineral building materials.

Over the years, the LONGING **Glazed EasyTile** range has continued to offer the freedom to innovate. **Glazed EasyTile** provides creative freedom to designers, specifiers and end users, providing safe, decorative and hygienic wall solutions as well as sanitary wall solutions that meet aesthetic and performance requirements.

Our **Glazed EasyTile** range offers design flexibility for any environment and any interior.

Better Together

Due to the natural materials used, MineCore can be directly landfilled without affecting soil, water quality, and air to cause continuous secondary pollution.

LONGING MineCore is truly derived from nature and belongs to nature.
